EPRI Adv. Council

I am a great admirer of EPRI and was therefore qualified to be asked to join the Advisory Council.

Unfortunately I am already booked for April 27-28.

Before I make a firm commitment, I wonder if you would permit to observe one of your meetings. August 16-18 might be feasible.

3 x 2-3 day meetings is probably more than I could squeeze in as I look at my calendar; but if you are agreeable to a flexible approach, I would like to respond accordingly. However, please be frank to say if this interferes with other plans you may have. Sincerely,

CC: Chauncey
